Anbar 1st International Medical Conference (AIMCO 2020) COVID-19: Updates on Management and Outcome

November 28-29, 2020

**The College of Medicine in The
University of Anbar Organises
Anbar 1st International Medical
Conference (AIMCO 2020)**

In partnership with

**The Royal College of Pathologist
(RCPATH) in UK and
The United Iraqi Medical
Association in UK & Ireland (UIMA)**

CONFERENCE THEMES

AIMCO 2020 calls for researches that address the main topic of the conference, COVID-19: updates on management and outcomes

Theme 1: Clinical aspect of COVID-19

Theme 2: Biomedical and epidemiological

Theme 3: Pharmacology and pharmaceuticals

Theme 4: Dentistry

AIM AND OBJECTIVES

The conference aims to create a communication platform that brings together academic and healthcare professionals to share knowledge, address key challenges, and reflect experience on recent advances of COVID-19 management and outcomes.

The main objectives are:

- Accelerate basic science and clinical research for the development of a valid approach to prevent, diagnose, and treat COVID-19.
- Evaluate the progress in the clinical practice of managing COVID-19 in a way that support policymakers to revise currently applied guidelines.
- Emphasise the impact of COVID-19 on the diagnosis and management of co-morbidities and other emerging communicable diseases.
- Identify strategies to raise public awareness and response to COVID-19.

SUBMISSION GUIDELINES

Contributions should be in harmony with the themes of the conference. For more information, please visit the conference website:

<http://aimco2020.uoanbar.edu.iq/>

REGISTRATION

AIMCO 2020 welcomes the registration and attendance of academics, healthcare professionals, and policymakers as well as medical students from around the globe, free of charge. Please refer to the following website for registration: <http://aimco2020.uoanbar.edu.iq/>
